Plain and Straight Newsletter

- 2 Years Sober
- 1 Year Intergroup Experience
- Knowledge of word processing and ability to print good quality, photo ready material for the printing company
- Access to email and internet
- Attend monthly Steering and Intergroup meetings
- Ability to follow guidelines for newsletter creation
- Communicate with other chairs for relevant content
- Check local, area and world AA websites for information and events

The newsletter is created using Microsoft Publisher, but it could be created using other programs. This one just seems to be a program more people are familiar with, and PCI doesn't provide the software. There are free open-source programs available that are compatible to Publisher and Word if you don't have access to Microsoft. If this interests, you but you don't know how to Publisher – I am willing teach.
